PC:

By the present application review of order dated 23.9.2005 is sought. Learned counsel appearing for the

respondents states that by an order dated 23.9.2005 this Court had directed the Charity Commissioner to dispose of the pending application of the petitioners in accordance with law. The present application has been moved making a grievance that the applicant has not been impleaded as party-respondent in the said application before the Charity Commissioner. Hence learned counsel expresses an apprehension that an order may be passed behind the back of the applicant. Learned counsel appearing for the respondent in this application makes a statement that the present applicant will be impleaded as party-respondent before the Charity Commissioner in the pending application. In view of this statement learned counsel for the applicant does not press the application. Hence application stands disposed of.
